Notice of Delay of Announcement of Fiscal 2019 Financial Results (Consolidated)

Due to the effects of the novel coronavirus, financial reporting has been delayed at our subsidiaries in several countries. As a result, the announcement of fiscal 2019 consolidated financial results, originally planned for May 8, 2020, has been delayed.

We are aiming to announce the results toward the end of May, however, there are still significant uncertainty as to when the situation will recover. We will send out a notification when the new date has been decided.

We continue to carefully investigate how the novel coronavirus situation will affect financial 2019 results. We will promptly communicate any relevant matters.

We apologize for the concern this has caused to shareholders, investors, and all NSK stakeholders.
