The business environment in which NSK operates is undergoing rapid change. Against this backdrop, the Company has initiated steps to enter its next growth phase under a new leadership structure following the appointment of Akitoshi Ichii as President and Chief Executive Officer and Toshihiro Uchiyama as Chairman and Director in April 2021.

NSK has never wavered from its corporate philosophy, which is to contribute to a safer, smoother society and help protect the global environment through its innovative technology integrating Motion & Control™ while working across national boundaries to improve relationships between people throughout the world.

Guided by our corporate philosophy, we will continue to collaborate with stakeholders to create value with the aim of contributing to the resolution of social issues while achieving sustainable growth as a company.
